

GOVERNOR (1965-1977 : RAMPTON) [446]

BOARD AND COMMISSION APPOINTMENT LOG, ca. 1961-1969.

.2 cu. ft. and 1 microfilm reel

DESCRIPTION: This series contains descriptions of each state board and commission including information on the purpose and membership of each board and commission, as well as a list of the appointees to each board and commission and the dates upon which they were appointed. These materials originally constituted a handbook or "appointment log" of information regarding each board or commission, for use by Governor Rampton and his staff. The membership list of each board or commission began during Governor Clyde's second administration, circa 1961. The appointment log was updated accordingly during Governor Rampton's administrations as new members were appointed.

ARRANGEMENT: This series is arranged alphabetically by title of board or commission, with the exception of the last two items in the third folder of Box 1. As these materials originally constituted a handbook or "appointment log", materials have been kept in the order in which they were found.

RELATED RECORDS: Series 20840, BOARD AND COMMISSION APPOINTMENT FILES, contains more extensive information (including correspondence regarding board and commission appointments). See also Governor Clyde's appointment files: Series 195, GOVERNMENT APPOINTMENT NOTICES.

PROCESSING NOTE: This series was microfilmed and the hard copy kept because of the intrinsic value of the papers. It was processed by Kira Robertson in February 2001.

PREFERRED CITATION: Cite the Utah State Archives and Records Service, the creating agency name, the series title, and the series number.
